

April 22, 2020

Dear Family and Friends,

It is now almost five weeks since the "Stay at Home" order was implemented. As I am writing this, I can say, thank God that we have had no positive cases of coronavirus. No cases among our residents, staff, nor the Little Sisters.

Our Sisters and Staff are working diligently to keep our Residents safe. Every department has adjusted to a whole new way of providing services for everyone.

If we do have any positive cases of the virus we will notify all of you without delay. The Illinois Department of Public Health has very clear guidelines on this that we follow.

If you have any questions, ideas or concerns, please feel free to call or email me. We will continue to post timely updates.

Please keep us in your prayers. We want nothing more than to keep everyone in our Home safe and healthy. Thank you. And know that you and your loved ones are in our daily prayers as well. We realize that this is a difficult time for you. May God bless you.

Sincerely,

Sr. Margaret Charles, Isp  
Little Sisters of the Poor
