Dear Families and Friends of Our Residents,

Hello from St. Joseph's! Tomorrow we celebrate the Feast of St. Joseph on May 1<sup>st</sup>.

I want to give you a few more updates from this past week.

Our new provincial, Mother Provincial Julie, who like Mother Maria Christine, will oversee the 9 Homes in our province, is now here and we are happy to have her. Mother Maria Christine will be leaving next Tuesday.

Mother Mercy will be arriving next Wednesday and our new lay administrator, Cheryl, will also be starting next week.

Now for the news that I was hoping I wouldn't ever have to share again and that wasn't supposed to happen! We have had two more new cases among our Residents. Their symptoms are mild but to be on the safe side we are quarantining that unit for at least 10 days to try to make sure that this doesn't spread any further.

Please continue to keep us all in your prayers. We count on them as much as you count on ours! Thank you again for your understanding and support. It means more than you'll ever know.

God bless you.

Sincerely in Christ,

Sr. Diane Therese, lsp  
Asst. Administrator
