January 1, 2022

Dear Families of our Residents,

On this New Year's Day, we wish you a very Happy, Healthy and Blessed New Year! May 2022 be a good year for all!

Yesterday evening about 8 p.m. we were notified by the lab that does our Covid-19 testing, that we have two new active Covid-19 cases. One is a Resident, who is now on isolation, the other is a staff member, who will be off until their quarantine time period is over and the person is asymptomatic and able to return to work.

As you know so well, our main concern is for the safety and care of our Residents; we ask your understanding and co-operation in the visiting guidelines that we follow and have in place.

Please feel free to call Mother Mercy or myself, if you have any questions or concerns,

God bless you and thank you,

Sr. Paul
Administrator
