February 14, 2022

Dear Families and Friends of our Residents,

I hope you had a nice Superbowl and Valentine's weekend, and are ready for the warmer days with lots of sunshine.

We are doing well. Recently we celebrated the Chinese New Year and the Valentine's Day. We have seen lots of shades of red in the last two weeks 😊.

What has changed since our last update is the number of positive cases. Right now, we have 1 employee that tested positive, and 0 Residents. We are very happy that our Residents are safe.

The current guidelines state that whoever tests positive must quarantine for 5 days before returning to work. We obey by it and also continue with our twice weekly testing to keep everyone safe. We will be sending more updates in the weeks to come.

Sending you lots of sunshine in the upcoming days.

Stay safe and healthy!
