**Little Sisters of the Poor – St. Joseph’s Home for the Elderly** is a small, 59 skilled bed, 5-star nursing home in search of wonderful Nurses and CNA’s with a heart of service to join our family!

**Intermediate to Total Care** ranges from for the ambulatory Resident who needs some nursing care and minimal to moderate assistance with daily personal care to those Residents who need complete nursing care and assistance with all daily needs.

**The Sisters’** love is at the heart of their service. The Little Sisters strive to create and maintain a place where all are treated with love and respect. They inspire the wonderful spirit that radiates from every corner. It is a true home, not just a place to live, work, or volunteer.

**The Staff** are truly an extension of the Sisters' hands and hearts. The gifts they bring to their duties are what help us maintain our Family Spirit.

**Benefactors** have been a vital and treasured part of our family. Without their generous support, we would not be able to meet the operating costs of the home.

**Association Jeanne Jugan members and volunteers** have reached out their hearts and hands in service to lighten the Sisters’ task in meeting the many needs of the aged.

**Love is key** to the care of the aged here at St. Joseph’s Home. All of our services are designed around creating a home-like atmosphere to give our Residents the care they need. More than 177 years of experience as a congregation exclusively at the service of the elderly has given us the knowledge and intuition of the concerns and needs of the elderly poor—security, loving care, esteem and the desire to feel useful.
